

WHOOF ON THE WHARF MEMBERSHIP FORM

All prospective members of WHOOF are required to complete this registration form each year. Summer membership for those members who do not have their own yaks or boards runs from Memorial Day to Labor Day. Seasonal passes are also available for those who have their own yak(s) or board(s) at a flat rate of \$300/season/car, and the season runs from May through October. Please indicate for which membership plan you are applying. The cost may be prorated for those joining later in the season. Memberships may not be transferred.

Membership is not required for any activities at Whoof on the Wharf. As a Summer Member, however, you may reserve kayaks and SUPs for one hour per day without charge, but you must still reserve in advance through our online portal to ensure availability. Summer Members will receive a personal promo code they can use to reserve, and reservation times are limited to our regular hours of operation. Regular hours of operation may be impacted by other group activities at Whoof.

Seasonal Members (who have their own yak or board) may come anytime and are not limited to launching during our regular hours. Seasonal Members will receive their own gate code for entrance into the marina. Both Seasonal and Summer Members receive a 10% discount on certain store merchandise and other group activities.

Note for dog owners: Dogs must remain on leash at all times while on the marina property. Members must pick up after their dogs or risk cancellation of their membership with no refund. No aggressive dogs permitted. By submitting this membership application you are swearing that you have not observed your dog exhibit any aggressive tendencies. Dog ownership is not required for membership.
